62 Salaberry nord, Châteauguay, J6J 4K2

Châteauguay, September 25th 2014

Wednesday, October 15 the annual fundraiser of Heritage Saint-Bernard will be held at the Pavilion of the island, from 17:30. As a cocktail, the event will take place under the honorary chairmanship of Madam Josée Mailloux, President of the Chamber of commerce of the Grand Châteauguay and co-owner Énergie Cardio Fitness centre. The guests will be able to count on the presence of Mr. Pierre Verville, humorist, impersonator and comedian, which will punctuate the evening of a few humorous interventions! All collected funds will enable the Organization to support its protection activities, awareness and environmental education.

#### **On the menu for the evening**

To the tunes of the Jeux de Cordes trio, the welcome drinks will highlight the opening of the silent auction. The cocktail served throughout the evening will allow guests to interact with the hundreds of others from the business, political and community sector from the region. The Héritage Saint-Bernard team will offer prizes, unique entertainment, as well as wines and quality products.

This evening will be even more memorable for the people of the A.RRC as Héritage Saint-Bernard has chosen, this year, to honor our Founding President Marie Klaudia Dubé. The outstanding contribution and selfless devotion to the cause of the Châteauguay River and the environment that Marie Klaudia has demonstrated since the founding of our organization is undeniable.

In her modesty, she wants that honors returned to Les Amis et Riverains de la Rivière Châteauguay as an organization. We all know it is a team effort; however, Marie Klaudia Dubé remains the cornerstone of the ARRC global success.

#### **For the benefit of nature**

This annual event allows the organization to raise year after year about \$ 25,000. This money is directly invested in major Heritage St. Bernard environmental projects.
